

JOHN HALL & SONS

(BRISTOL & LONDON), LTD.,

ESTABLISHED in 1788, in the reign of George III., John Hall & Sons (Bristol and London), Ltd., is to-day, in the reign of George V., still recognised as the leading and most reliable firm for paints and varnishes. Our claim is "Quality" and public opinion justifies the claim. Avail yourself of the experience of nearly 130 years—and so make sure of success and satisfaction.

For the Aeroplane Industry we make :

Wood Fillers
 Fabric Enamels

Undercoating and finishing
 Copal Varnish for Air-screws
 Copal Varnish for Woodwork
AIR-DRYING COPAL VARNISH

Substitute for
SHELLAC VARNISHES

Quick-Drying Black Enamel
 Aeroplane Grey Paint
 Khaki Oil Proof Paint
 Engine Paints (Impervious
 to Sea Air, Sea Water
 Petrol and Hot Castrol)
DOPE RESISTING PAINT

Our Air Screw finishing Scheme will be found invaluable to manufacturers. Write for details.

All approved by the A.I.D.
