

... the muscles
of his brawny arms

ONE of the grave disadvantages of Desoutter Tools is that they don't develop a boy's muscles. The heart of many a growing lad leaps to hear that he will be allowed to use a Power Drill. In his mind

he sees those brawny lumps of humanity boring their way through massive chunks of concrete, their great muscles rippling and shuddering from wrist to neck and all down the back and front. He sees himself the pride and envy of his pals. He sees great cricket balls appearing all over his arms. But Desoutter brings disillusion. He can handle a Desoutter all day and every day for months on end, but the old bicep still looks like a very small grey mouse.
