-AND WHAT'S MORE, EVERY PLANE WE OPERATE IS EQUIPPED AGAINST FIRE WITH GRAVINER EQUIPMENT

Fully descriptive literature is available to Air Line Managements, Aircraft Manufacturers and Designers on request.

In the field of airborne fire protection the name 'Graviner' stands virtually alone. As pioneer of aerial fire-fighting techniques... as inventors of the most advanced fire-fighting installations and appliances... as manufacturers of the fire-fighting equipment installed on all British warplanes and today on leading airliners, Graviner have unique experience.
