FLIGHT

• FIRST AERO WEEKLY IN THE WORLD •

A JOURNAL DEVOTED TO THE INTERESTS, PRACTICE, AND PROGRESS OF AERIAL LOCOMOTION AND TRANSPORT.

OFFICIAL ORGAN OF THE ROYAL AERO CLUB OF THE UNITED KINGDOM.

No. 66 (No. 14, VOL. II.)

APRIL 2, 1910.

H. M. HOBSON LIMITED offer warmest congratulations to "FLIGHT" on the occasion of its Golden Jubilee

Since the issue of the above edition of "Flight", dated April 2nd, 1910, H. M. Hobson Ltd., have continued an unbroken association with this journal, and from the small panel advertisement which appeared at that time (announcing the Company's earliest connection with the aircraft industry), there has grown an organisation which, by the pioneer work initiated by them, has contributed much to the progress of world aviation.
