

BKS, the Leeds/Bradford-based independent, has chartered this Series I from Skyways. It has boosted BKS's traffic, particularly on the London service

The Brazilian Air Force is currently taking delivery of six 748 Series 2s

Above, baggage and light freight being unloaded by Skyways after a flight from Beauvais

Left, Mr Nehru with senior IAF staff officers inspects the first 748 for the Indian Air Force. It is a Series I, assembled at Kanpur, where production of a large number is now in full swing
