All that's new in next season's yachting

YACHTING WORLD Boat Show Special breaks the winter like an early thaw. The biggest issue of the year covering Europe's biggest-ever show, it gives you an exciting taste of next season's sport with Exhibition plans, classified lists of exhibitors, and, of course, is fully illustrated. If you can't visit the show, it's all the more reason for reading YACHTING WORLD Boat Show Special.
