# REDIFON

**LIMITED**

**are proud to be among recipients of H.M. The Queen's 1966 Award to Industry**

As a member of the REDIFFUSION Group, we are designers and manufacturers of radio communication equipment, flight simulators, trainers, computers and other electronic devices.

Our work contributes towards greater safety, efficiency and profitability in flying.

Today, we are the leaders in the field of flight simulation on earth. Tomorrow, we hope to be leaders in this field throughout the universe.
