

AIRLINE GROUND EQUIPMENT . . .

(103) **Consolidated Pneumatic Tool Co Ltd, Dawes Road, London SW6 (Fulham 7722)** Compressed air equipment; portable pneumatic tools. (3.4, 4.3)

(104) **Constructors Ltd, Tyburn Road, Birmingham 24 (Erdington 1616)** Adjustable shelving and pallet racking; automatic storage equipment; stock control systems. (1.1, 4.5)

(105) **Conveyance Fork Trucks Ltd, Warrington (Warrington 35922)** Fork lift trucks, 1,500lb to 12,000lb capacity; battery tractors; baggage trolleys. (2.1)

(106) **Corrosion Ltd, Warsash, Hants (Locks Heath 3372)** Glocrete kerosene- and diesel oil-resistant concrete surface paint. (4.1)

(107) **Coseley Buildings Ltd, Lanesfield, Wolverhampton (Bilston 43101)** Steel-framed, pre-engineered hangars, warehouses and workshop buildings. (4.1)

(108) **Cossor Electronics Ltd, Harlow, Essex (Harlow 26862)** Ramp test equipment for airborne ILS/VOR. (3.10)

(109) **Coventry Climax Engines Ltd, Coventry (Coventry 28481)** Fork lift, platform and reach trucks, 2,000lb to 8,000lb capacity; fire pumps. (2.1, 4.2)

(110) **Coventry Victor Motor Co Ltd, The, Binley, Coventry (Walsgrave-on-Sowe 4231)** Diesel and petrol engines; diesel pumping sets; mobile hydraulic test rigs. (2.2, 3.8, 3.10)

(111) **Craven & Co Ltd, W. J., Evesham, Worcs (Evesham 2631)** Mobile high-pressure spray de-frosting and washing units. (2.2, 3.8)

(112) **Creed & Co Ltd, Brighton (Brighton 507111)** Teleprinters and associated equipment; data-recording paper tape punches. (1.3, 3.2)

(113) **Crompton Parkinson Ltd, Aldwych, London WC2 (01-242 3333)** Fluorescent lighting installations; ground power a.c./d.c. motor generator sets; vehicle and traction batteries. (2.2, 2.5, 4.3)

(114) **Cullum Detuners Ltd, Highgate West Hill, London N6 (Fitzroy 1221)** Engine ground-run mufflers—fixed installations available to suit Trident, One-Eleven and DC-9. (4.4)

(115) **Cummins Engine Co Ltd, Bowater House, London SW1 (Kensington 5133)** Diesel engines for air starters and generating plant. (2.2, 4.3)

(116) **Curran Ltd, John, GPO Box 72, Cardiff (Cardiff 20641)** Engine run-up and thrust measuring installations; torque-measuring bulkheads; engine turn-over stands; R-R Dart compressor cleaning rig; lifting gear. (3.1, 3.7, 3.8, 3.10)

(117) **Dagenite Batteries Division of Electric Power Storage Ltd, Dagenham Dock (Dominion 0121)** Ground-starting and vehicle batteries. (2.2, 2.5)

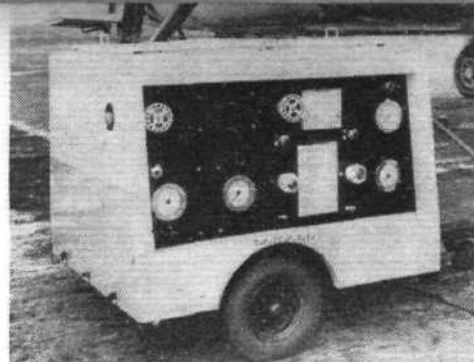

(118) **Dawe Instruments Ltd, Western Avenue, London W3 (Acorn 6751)** Portable sound-level meters. (4.4)

(119) **De Vilbiss Co Ltd, The, Ringwood Road, Bournemouth (Northbourne 3131)** Air compressors; spray painting equipment—portable equipment for conventional, airless and low-pressure hot spray; electrostatic spraying machines. (3.8, 4.3)

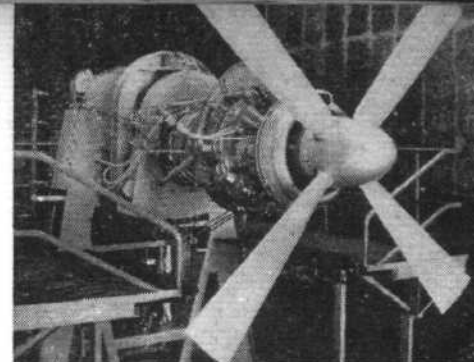

(120) **Derritron Electronic Vibrators Ltd, St Leonards-on-Sea (Hastings 51372)** Low and high-frequency power amplifiers; ultrasonic cleaning equipment. (3.8, 3.10, 4.3)

(121) **Desoutter Bros Ltd, The Hyde, London NW9 (Colindale 6346)** Portable pneumatic power tools. (3.4)

(122) **Dexion Ltd, Wembley, Middx (01-902 1281)** Slotted angle for maintenance docks, staging platforms, stairs, stands, work-benches, trolleys and storage racking; steel framework for shelters and buildings; partitioning; gravity conveyor tracks. (1.1, 1.2, 2.1, 3.1, 3.3, 4.1, 4.5)

Rolls-Royce Dart torque-measuring bulkhead for a Braathens test house, constructed by John Curran

(123) **Didsbury Engineering Co Ltd, Aircraft Division, Rusholme, Manchester 14 (Rusholme 1495)** Minilift universal hoists for engine and component installation and removal; elevating servicing trolleys and platforms. (3.1, 3.3, 3.7)

(124) **Dorman & Co Ltd, W. H., Stafford (Stafford 52141)** Diesel engines for GPUs and generating plant. (2.2, 4.3)

(125) **Douglas Equipment Ltd, F. L., Arle, Cheltenham (Cheltenham 27921)** Aircraft towing and push-out tractors for all sizes of aircraft; loading vehicles with elevating conveyor floors. (2.1, 2.2)

(126) **Douglas-Rowson Ltd, Basingstoke (Basingstoke 3262)** Powered belt and roller conveyors, accumulator conveyors and transfer units; load sorting and direction memory units. (1.1)

(127) **Dowty Seals Ltd, Ashchurch, Glos (Tewkesbury 2441)** Plastic conveyor rollers and glide wheels with Drylon bearings. (1.1)

(128) **Dragonair Ltd, Portsmouth (Cosham 76451)** Mobile oil-fired cabin air heaters; oil and gas-fired hangar and workshop heaters (up to 1,000,000BThU/hr). (2.2, 4.6)

(129) **Duckham & Co Ltd, Alexander, West Wickham, Kent (Spring Park 8341)** Lubricants and special compounds. (3.5)

(130) **Dunlop Co Ltd, The, Engineering Products Division, Coventry (Coventry 88733)** Air starter trolley—high or low-pressure outputs derived from air bottle storage; tyre removal rigs and wheel servicing equipment; Maxaret test rigs; twin-compressor high-pressure air charging sets. (2.2, 3.4, 3.5, 3.10, 4.3)

(131) **Duple Group Sales Ltd, The Hyde, London NW9 (Colindale 6412)** Luxury passenger coaches on AEC, Bedford and Ford chassis—15 to 52-seaters, up to 200 cu ft baggage space; aircrew service coaches. (2.5)

(132) **Dust Control Equipment Ltd, Thurmaston, Leicester (Syston 3333)** Dust-collection equipment and filters. (4.6)

(133) **Dynamco Ltd, Chertsey, Surrey (01-655 2636)** Digital voltmeters; oscilloscopes; data-logging equipment. (3.2, 3.10)

(134) **EMI Electronics Ltd, Hayes, Middx (Hayes 3888)** Oscilloscopes; Robotug electronically-controlled driverless battery tractors marketed by Youngman. (1.1, 3.6, 3.10)

(135) **Eagle Aircraft Services Ltd, Leavesden Airport, Watford (Garston 5233)** Distributor for Latham Manufacturing (USA) Aero Tractor, pedestrian-controlled powered manoeuvring tractor for aircraft and mobile equipment up to 12,000lb. (5.0)

(136) **Eagle Engineering Co Ltd, Warwick (Warwick 42131)** Sullage and water servicing, and elevating platform spray-washing vehicles. (2.3, 3.8)

(137) **Eccles Engineering Ltd, Redditch (Redditch 2637)** Battery trucks and tractors; hydraulic-lift tables; stackers and lifting trucks. (1.1, 2.1, 3.3)

(138) **Edbro Ltd, Bolton (Bolton 62221)** Hydraulic scissors gear for high-lift loaders. (2.1)

(139) **Edghill Equipment Ltd, H. W., Hook, near Basingstoke (Hook 40)** Passenger stairs; trailers and pallets; water and toilet servicing vehicles; fluids bowsers; assembly stands; installation trolleys; mobile adjustable workstands; maintenance docks; tow-bars and lifting slings. (2.1, 2.2, 2.3, 3.1, 3.3, 3.5, 3.7)

(140) **Edgington & Co Ltd, John, Old Kent Road, London SE1 (Rodney 3801)** Portable and air-transportable extendible metal hangars and canvas tents and shelters. Agent for Sarrade & Galtier (Paris) Beauvais hangars. (4.1, 5.0)

(141) **Ekco Electronics Ltd, Southend-on-Sea (Southend 49471)** Portable load-cell weighing equipment. (3.7)

(142) **Ecko-Ensign Electric Ltd, Essex Street, London WC2 (City 8951)** Fluorescent tungsten-halogen, sodium, mercury vapour and weatherproof lighting equipment. (4.3)

(143) **Electro-Dynamic Construction Co Ltd, St Mary Cray, Orpington (Orpington 27551)** Mobile motor alternator sets for hangar and apron ground power—200V a.c. power outputs up to 150kVA, 400Hz. (2.2, 4.3)

(144) **Electrolube Ltd, Oxford Avenue, Slough (Slough 25574)** Electrical and mechanical contact lubricants; anti-static media; spark and tarnish inhibitors; freezing compounds. (3.5)

(145) **Electromagic Ltd, Stanley Place, Chester (Chester 25553)** Portable high-pressure washing equipment and oil-fired space heaters. (3.8, 4.6)

(146) **Elgastat Accessories Ltd, Lane End, Bucks (Lane End 601)** De-ionisers providing purified water for tractor and vehicle batteries. (3.5)

(147) **Elliott - Automation Ltd, Portland Place, London W1 (01-580 5522)** Surface communications radio for vehicles and base stations. Computer-controlled data communications systems; applications include warehouse control, passenger information and seat reservation. Flight-deck trainers and visual-display systems trainers. Flight re-

Channel Airways' fleet of Duple 52-passenger coaches (150 cu ft baggage space) on Ford chassis
