

■ HAECO

Peter Sutch has resigned his post of chairman of Swire Pacific's Hong Kong Aircraft Engineering (HAECO). Sutch, who remains chairman of Swire and Cathay Pacific, is replaced by **David Turnbull**, Cathay Pacific Airways deputy managing director.

■ AMERICA WEST

America West president **Maurice Myers** will retire at the end of the year, when **William Franke**, the airline's chairman and chief executive, will take over his responsibilities until a successor is selected. Myers joined America West in December 1993, assisting in the US carrier's emergence from Chapter 11 bankruptcy protection.

■ ANZ

Robert Nazarian has been appointed chief financial officer at Air New Zealand (ANZ). Nazarian, now chief financial officer for Lion Nathan Australia, will take up his new position at the beginning of October. Nazarian replaces **Robert Elstone**, who moves to a similar position with Australia's Pioneer International group of companies.

■ KLM

Jan Meurer has been named vice-president for operations at Dutch national carrier KLM, replacing **Henny Essenberg**, who becomes group managing director for Air UK. **Enno Osinga** succeeds Meurer as vice-president for customer service at KLM Cargo. He was formerly manager of cabin-crew divisions and deputy to the manager of cabin corps. **Michael Kimman** becomes manager of business systems at KLM Cargo. He was formerly manager of computing and network services for KLM Automation.

■ ROLLS-ROYCE INC

Stanley Doepke is named director of airline marketing and **Bruce McClelland** becomes airline-analysis manager at Rolls-Royce Inc, the US arm of the UK aero-engine manufacturer. Doepke was formerly sales director at Fokker Aircraft USA, while McClelland was director of strategic market planning at Daimler-Benz Aerospace (Dor-

nier). **Frederick Kocher** becomes senior vice-president for customer support. He was most recently senior vice-president for maintenance operations at USAir.

■ CESSNA

Arbrey Barrett has been named vice-president for aircraft completions at Cessna Aircraft, of Wichita, Kansas. Barrett joined Cessna as a manufacturing supervisor in 1965, having held similar positions at airframe manufacturer Boeing, of Seattle, Washington. Five new executives are appointed for the company's single-engine-aircraft interests. They are **H D Cartwright**, director of materials; **Stan O'Brien**, director of engineering; **Terry Whitesell**, director of finance; **Mike Wilson**, director of management-information services; and **Jerry Hiatt**, director of human resources.

■ ANA

Seiji Fukatsu, president and chief executive of Japan's All Nippon Airways (ANA), has been named chairman, for a two-year term, of computer reservations company Abacus Distribution Systems. ANA has a 12.9% stake in Abacus.

■ COOPER

Aircraft-parts distributor Cooper Aviation, of Elk Grove Village, Illinois, has named **Dave Davis** Cooper Express representative in the Mid-West, and **Mike Fischer** joins the company's inside sales-support staff.

■ LOCKHEED MARTIN

Sandra Walls has been appointed vice-president of business management at Lockheed Martin Aeronautical Systems, of Marietta, Georgia. She replaces **Todd Kallman**, who becomes vice-president of business management for the aeronautics sector of Lockheed Martin, of Bethesda, Maryland. Walls, with Lockheed since 1969, was formerly director of enterprise business planning.

■ PRECISION

Gen Thomas Richards (US Air Force, retired) has been elected to the board of maintenance and

modification company Precision Standard, of Birmingham, Alabama. Richards is a former Administrator of the US Federal Aviation Administration.

■ SAAB

Saab Aircraft of America has appointed **John Sterne** as a director for regional-airline sales. He was formerly sales director with ATR Marketing. **Al Smolinski**, previously marketing director for Jetstream Aircraft, becomes vice-president for marketing support. **Mike Miller**, previously of Rolls-Royce, will serve as director of fleet planning.

■ PIPER

Larry Bardon, formerly with Lockheed's "Skunk Works" and Pilatus Aircraft, has been appointed director for marketing and sales at light piston-aircraft manufacturer New Piper Aircraft, of Vero Beach, Florida. **Dan Elliott** becomes manager

for manufacturing. Elliott, who previously spent 13 years with Piper, returns having served as chief tool engineer and manager for production engineering for Rohr Industries.

■ SHANNON

Peter Ellison is named head of marketing and sales at Shannon Aerospace of Ireland. He replaces **Roger Haslimeier**, who has completed a five-year secondment from Swissair. Ellison, previously deputy to Haslimeier, joined Shannon in 1994, having worked formerly for Irish leasing company GPA.

■ SMITHS

Mike Ghalayini has been named regional marketing director at avionics supplier Smiths Industries' US arm based at Stamford, Connecticut. Ghalayini, with Kollsman for ten years, has also worked for Sperry and Boeing.
