

SINGAPORE FLYING COLLEGE

a wholly-owned subsidiary of Singapore Airlines, invites applications from suitably qualified pilots as Advanced Training Instructor Pilots on Learjets to be based in Singapore. Minimum requirements are an ATPL with 5,000 hours which MUST include at least 500 hours on airline jet transport types, and 1,000 hours instructional hours and/or airline training experience.

Candidates who are not type-rated on Lear 31's will be provided with training and can expect to enter into a bonding agreement.

Basic salary starts at S\$6,000 p.m. and increases to S\$6,400 p.m. when checked out as a full instructor. In addition, pilots on expatriate terms are paid an Expatriate Allowance of S\$1,000 p.m. and a Market Allowance of S\$1,000 p.m. Variable allowances are also payable. Benefits will include discounted air travel and contributions to the SIA Provident Fund. Successful candidates can expect to be seconded to Singapore Airlines who will be operating the aircraft.

Applications should be accompanied by full CVs before **7 June 1996** and addressed to:
