Date established 28 March, 1961 **Date operations started** 1 August, 1961

Description Multinational flag carrier serving 30 destinations in Africa, Europe and North America

History Air Afrique was founded in 1961 as a result of the Treaty of Yaounde. It suspended some long haul services in July 1998 following the return of its four A310-300s as requested by creditors. Meanwhile, Air Afrique is working on a revised restructuring plan that would see its 11 government owners drop their holding from 70% to 51% in the short term, and lead to possible full privatisation in 2000.
