Air Aruba [FQ] (ARU)

Last known address: Wayaca 31-A, PO Box 1017, Brown Invest Building, Oranjestad, Aruba
 Air Aruba was the national flag-carrier of Aruba, and served ten destinations in the Americas from Queen Beatrix International Airport. The airline had started operations on 18 August 1988 as the Aruban flag-carrier, but was acquired by Venezuelan airline Aserca which bought a 70% stake in July 1998. Air Aruba's financial position deteriorated, however, and the airline ceased operations on 23 October 2000.
