

## Air Cargo Sales Executives - Europe

Experienced Air Cargo Sales professionals are sought to promote the services operated by TNT Airways and our partner airlines on a 'world-wide' basis.

The individuals will be working within a dedicated sales environment responsible for the generation of new business and development of existing air cargo revenues.

Previous Air Cargo Sales experience is essential, and local knowledge of the Air Cargo industry within the designated territories will be a distinct advantage. Highly motivated and capable of working on their own initiative to a common plan, the successful candidates will enjoy working as part of a dynamic and profitable specialist team.

- the positions carry a competitive salary as well as usual benefits
- resident within the territory, extensive travel can be expected
- a good command of both written and spoken English is desirable

**Territories:** France & Switzerland - Scandinavia - Italy & Turkey - Germany, North & Central - Germany South, Austria & Hungary - Belgium, Holland & Luxembourg - Spain - Portugal.

Please apply in writing, including your c.v and current package to:

APPOINTMENTS

## THE FUTURE OF AVIATION TRAINING

Aviation Training International Limited (ATIL) provides 'through life' training support for the Apache AH MK1 Attack Helicopter at four military locations and are funded to do so for many years to come.

### Simulator Maintenance Technicians

We currently require two experienced flight simulator maintenance technicians who can demonstrate success in a wide range of tasks including the set up and repair of advanced visual systems. One vacancy is at our Middle Wallop (Hampshire) Training Centre and the other at our Dishforth (North Yorkshire) Training Centre.

You will be responsible for the maintenance of 'state of the art' flight simulators and Part-Task Trainers. These incorporate cutting edge technologies such as E&S Harmony image generators, area-of-interest displays, and electric motion and control loading systems. Extensive use is made of Built-in Test and the repair philosophy is to minimise downtime by rapid fault finding and the replacement of units.

You will also maintain a range of other devices such as Computer Based Training (CBT) systems and supervise the maintenance of our new purpose-built facilities.

Please forward your CV and current salary details in the first instance to: Mr Steve Marsh, HR Manager, ATIL, Coldharbour Business Park, Sherborne, Dorset DT9 4JW. Alternatively fax on 01935 810325 or e-mail to [smarsh@atil.co.uk](mailto:smarsh@atil.co.uk)

### EMPLOYMENT SERVICES INDEX

Launched in October 1994 the Employment Services Index has firmly established itself as an important part of Flight International's appointments pages. The weekly section offers a highly visible yet simple format for recruitment consultancies to advertise their expertise in different industry sectors. The standard sized advertisements are easy to refer to and have brought in consistent, quality response.

If you want to find out more about the section and want advertising details please contact us on

Phone +44 (20) 8652 3811 or Fax +44 (20) 8652 4802
