### Alfa Romeo Avio

Societa Aeromotoristica per Azioni Viale Impero Pomigliano D'Arco, Naples I-80038, Italy Tel +39 (081) 316 1111 Fax +39 (081) 803 8295

**Telex** 710083 ARAVIO I

**National approvals** CAAC, FAA, JAA, CAA **Engines** CFMI CFM56, GE CT7, P&W JT3D 3B, JT8D, P&WC PT6, PW100

### Alitalia

Engineering & Maintenance Division, Leonardo da Vinci Airport, Fiumicino I-00050, Italy

Tel +39 06 65 63 5609 Fax +39 06 65 63 5540

**Sita** FCOMHAZ **Telex** 626211I

**Website** <http://www.alitalia.it>

**Description** Performs light and heavy maintenance, engineering services, technical training, aircraft stripping and painting, interior refurbishment, NDT, repair and overhaul of components, engines, landing gears and APUs. It has 40 workshops.

**Speciality Airframe, engines Checks** B, C, D **National approvals** CAAC, FAA, Ghana, JAA, JCAB **Total employees** 4000 **Engineers** 600 **Principal types serviced** Airbus A319, A320, A321, ATR 42, 72, Boeing 737, 747, 747-400, 767, MD-11, MD-80, Bombardier CL-415, Fokker 100, MDC DC-10 **Additional services** Modifications interiors, paintshop **Hangars** 7, 40 component shops, stores, engine test **Widebody spaces** 9 **Narrowbody spaces** 14 **Engines** CFMI CFM56, GE CF6-50A, CF6-80A

### Atitech

Aeroporto di Capodichino, Naples 80144

Italy Tel +39 081 7094030 Fax +39 081 7094603

**Sita** NAPMSAZ e-mail [info@atitech.it](mailto:info@atitech.it)

**Website** <http://www.atitech.it>

**Description** Atitech is a JAA/FAA repair station specialising in aircraft maintenance up to D check. Atitech can offer total in-house engineering support for structural repairs, airframe modifications, cabin-layout modifications, cabin-interior refurbishment and avionics upgrade.

**Parent** Alitalia **Speciality Airframe, engines Checks** B, C, D **National approvals** CAAC, FAA, JAA **Total employees** 774 **Engineers** 452 **Principal types serviced** Boeing 727-200, -300, -400, -500, MD-80, MDC DC-9 **Additional services** Modifications, interiors, paintshop for parts only. (no airframes) **Hangars** 2 **Hangar space** 17,361m<sup>2</sup> **Narrowbody spaces** 6 **Commuter spaces** 1 **Engines** P&W JT8D,

### FiatAvio

MRO Division, Viale Impero

Pomigliano d'Arco, Nr Naples 80038, Italy

Tel +39 081 316 3111 / 231 Fax +39 081 316 3716

e-mail [antonella.dimaio@fiatavio.it](mailto:antonella.dimaio@fiatavio.it)

**Description** FiatAvio's component capability includes: special technologies, electron beam, high speed grinding, vacuum brazing, pulsed TIG welding, robotized atmospheric plasma spray coating,

electrolytic & electrodeless plating, automatic 3-axis measurement, EDM & electrolytic machining, bonding of silicone elastomer seals by injection, main in-house repairs, fan blades, compressor, blades & vanes, combustion chambers, cases, accessories, turbine blades & vanes, reduction gear box. **Specialist services** include: engine health monitoring, engineering services, lease/sale/exchange. **Speciality Engines National approvals** JAA, CAA, CAAC, DNA, Argentina FAA **Additional services** paintshop **Hangars** 8 test cells to 100,000lbs-thrust **Hangar space** 200,000m<sup>2</sup> **Engines** P&W JT8D, JT8D 200, P&WC PW120, PW121, PW124B, PW127, B, E, F, CFMI CFM56

### Mistral Air

Ciampino Airport, Rome I-00040, Italy

Tel +39 (06) 793 40614/5/7 Fax +39 (06) 793 40901

**Sita** CIATN7X **Telex** 616123 MISTR I

**Description** Mistral Air is an authorised service centre. It offers full refurbishment and overhaul capabilities for Citation 500 series aircraft, and HSI of JT15D engines on the wing. A \$1 million spare parts inventory is kept. Mistral Air has been gaining service centre approvals progressively since last June.

**Speciality Airframe, engines Checks** C **National approvals** DCA Bermuda, FAA, JAA **Narrowbody spaces** 6 **Engines** P&WC JT15D,

## LUXEMBOURG

### Cargolux Airlines International

Luxembourg Airport, L-2990, Luxembourg Tel +352

4211 3290 Fax +352 4211 3441 **Sita** LUXMSCV

**Telex** 2272 CVLUX e-mail [aarcone@cargolux.com](mailto:aarcone@cargolux.com)

**Website** <http://www.cargolux.com>

**Description** Cargolux provides B 737 maintenance up to C checks and also B 747 & B 767 line and A checks. In addition out-station assistance is provided and AOG support is supplied on request throughout the world, particularly within Cargolux's network. Also quick engine change unit (QEC) work on JT9, CFM56, CF6 and RB211.

**Speciality Airframe, engines Checks** B, C **National approvals** DCA Bermuda, FAA, JAA **Total employees** 1060 **Engineers** 267 **Airframe engineers** 125 **Engine engineers** 129 **Avionics engineers** 13 **Principal types serviced** Boeing 737, 747, 767 **Additional services** Modifications, interiors, paintshop **Hangars** 2 **Hangar space** 5,000m<sup>2</sup> **Narrowbody spaces** 2 **Engines** P&W JT9D-7, JT8D, R-R RB211, CFMI CFM56, GE CF6, R-R Tay

## NETHERLANDS

### ASE Maintenance

Eindhoven Airport, Luchthavenweg 45, Eindhoven

Netherlands Tel +31 40 252 6065

Fax +31 (40) 251 9317

**Description** Provides optimised maintenance for commuter airlines, including aircraft components, structural inspection, Dowty propeller maintenance including overhaul.

**Speciality Airframe, engines Checks** B, C, D **National approvals** DGAC, JAA **Principal types serviced** Fokker F27 **Additional services**
