

Netherlands based **Denim Air** is a successful and rapidly growing airline, presently active in the European commuter market. The company currently operates 14 turboprops (both Fokker 50 and Dash 8), in passenger configuration. Later this year **Denim Air** will introduce the first Fokker 70 and Fokker 100 jet-aircraft to its fleet. To facilitate this expansion, and to be able to continue the growth of its dynamic operation, **Denim Air** is looking for candidates for the following positions:

● **Direct Entry Captains (Fokker 50 and Dash 8)**

For the position of direct entry captain you must have the following qualifications:  
Fokker 50 type-rating or Dash 8 type-rating  
2,500 hours minimum total time, minimum 1,400 hours on type and 1,000 hours in command

● **Training Captains Fokker 50**

For the position of training captain you must have the following qualifications:  
Fokker 50 type-rating  
Type-Rating Instructor/Type-Rating Examiner  
4,000 hours minimum total time, minimum 2,500 hours on type and 2,000 hours in command

● **Training Captains Fokker 70/Fokker 100**

For the position of training captain you must have the following qualifications:  
Fokker 70/100 type-rating  
Type-Rating Instructor (preferably also Type-Rating Examiner)  
6,000 hours minimum total time, minimum 4,000 hours on type and 3,000 hours in command

● **First Officers (Fokker 50 and Dash 8)**

For the position of first officer you must have the following qualifications:  
Fokker 50 type-rating or Dash 8 type-rating  
1,200 hours minimum total time

For all of the above positions a European nationality (preferably Dutch) as well as a JAR-FCL Licence (ATPL A) are required. Check [www.denimair.com](http://www.denimair.com) for further details, or call +31 40 235 2100. If you are ready for a challenge, flexible and passionate about the aviation industry, then e-mail your job application including your cv to [personnel@denimair.nl](mailto:personnel@denimair.nl)
