## 1. Executive summary

Expert commentary on the MRO market from named Flight authors from:

- (i) **Airline Business**
- (ii) **Air Transport Intelligence**
- (iii) **Commercial Aviation Online**
- (iv) **Flight International**
- (v) **ACAS**
- (vi) **JP fleet data**

## 2. Program & technical details

- (i) **Aircraft/engine program specifications**  
*Technical data for aircraft & engine types*  
*Main equipment/systems*
- (ii) **Airframe inspection intervals**  
*Analysis by operator/aircraft type/region/country*
- (iii) **Program updates**  
*Program updates since launch*  
*Latest modifications & developments*  
*Future planned developments*
- (iv) **Technical drawings**  
*Flight archive cutaway technical drawings of core types*  
*General arrangements of versions and variants*

## 3. Competitive market analysis

- (i) **World rankings for maintenance providers**  
*Leading maintenance providers ranked by revenues*  
*Leading maintenance providers ranked by customer base*
- (ii) **Market share for maintenance providers by geography**
- (iii) **Market share for maintenance providers by customer/equipment type:**
  - a) customer type
  - b) equipment type
  - c) service type

## 4. Customer analysis

- (i) **Maintenance expenditure & historic trends by:**
  - a) airline/operator
  - b) geographis base
- (ii) **Maintenance contracts by operator**
- (iii) **Maintenance contracts by service type:**
  - a) C Check
  - b) Heavy Check
  - c) Engine overhaul
  - d) APU overhaul

## 5. Fleet analysis

- (i) **In-service fleet analysed by:**
  - a) equipment type
  - b) operator/owner
  - c) country/region

- d) *age profile*
- (ii) **Hours & cycles analysed by:**
  - a) *equipment type*
  - b) *operator*
  - c) *country/region*
- (iii) **Aircraft planned deliveries & orders**
  - a) *equipment type*
  - b) *operator*
  - c) *country/region*

## 6. Market outlook

- (i) **Aircraft delivery forecasts (1-5 years)**
- (ii) **Airline industry outlook by type & region:**
  - a) *World economics*
  - b) *airline finances*
  - c) *airline traffic*
- (iii) **Maintenance demand forecasts**
  - a) *component removals*
  - b) *airframe check*
  - c) *airframe check*

## **Appendices: reference material & directories**

### **A. Maintenance providers: directory**

- (i) **MRO company corporate profiles**  
*Ownership, subsidiaries & partnership*  
*Financials: operating revenues & expenses*
- (ii) **MRO companies by equipment maintained**  
*Aircraft*  
*Engines*  
*Interior/avionics*  
*Components*
- (iii) **MRO companies by capability**  
*C Check*  
*Heavy Check*  
*Engine overhaul*  
*APU overhaul*

### **B. Operator profiles**

- (i) **Contact details for management & service buyers**
- (ii) **Ownership, subsidiaries & partnerships**
- (iii) **Fleet – existing & orders**
- (iv) **Financial data**
- (v) **Traffic data & schedules**

### **C. World fleet directory**

**World fleet by aircraft/equipment type, region and status :**

- (i) **In-service fleet**
- (ii) **Deliveries**
- (iii) **Orders**
- (iv) **Storage**

## D. Related information

*Related articles, briefings, rankings, data tables and conference materials from:*

- d) *ACAS*
- e) *ICAO*
- f) *JP fleet data*
- g) *Commercial Aviation Online*
- h) *Air Transport Intelligence*
- i) *Airline Business*
- j) *Flight International*
