Firms of all sizes and industries of widely differing types are among the newcomers: from concerns like Cadbury Bros., Ltd., J. S. Fry & Sons Ltd., Scottish Non-Ferrous Tube Industries Ltd., Turner & Newall Ltd., and Yorkshire Copper Works Ltd., to small industrialists who are making a promising beginning with no more than 1,500 square feet of factory floor space.

In the Special Areas—in Northumberland and Durham, Scotland, South Wales and West Cumberland—labour is plentiful, skilled and unskilled, male, female and juvenile. Transport communications are excellent, natural resources rich and varied. Conditions combine with Government assistance to give industry a start free from all encumbrances—the best start it has ever been offered in any country's industrial history.
