**PUBLIC ANNOUNCEMENTS**

**AIR TRANSPORT ADVISORY COUNCIL**

**T**HE AIR TRANSPORT ADVISORY COUNCIL give notice that they have received the under-mentioned applications to operate scheduled air services:—

**F**ROM East Anglian Flying Services Ltd. of Southend Airport, Essex:—  
Application No. 2439 for an extension of the period of approval of the following services for ten years from March 31, 1960, to March 31, 1970:—  
U.K. Internal Services:  
Ipswich - Southend - Rochester - Shoreham - Alderney - Guernsey - Jersey (Application No. 4).  
Portsmouth - Guernsey (optional) - Jersey (Application No. 546).  
Normal Scheduled Services:  
Ipswich (optional) - Southend - Ostend (Application No. 5).  
Ipswich - Southend - Rochester - Shoreham - Paris (Application No. 6).  
Portsmouth - Shoreham - Paris (optional) (Application No. 102).

**F**ROM Air Charter Ltd. of 21, Wigmore Street, London, W.1, for the following Colonial Coach Class Services to be operated initially with DC-4 and Britannia aircraft and later also with Viscount, Comet, Vanguard, DC-6, DC-6A and DC-6B aircraft, for the carriage of passengers and supplementary freight, at an initial frequency of one return flight fortnightly on each service increasing later in accordance with traffic demand, for ten years from three months after date of approval:—

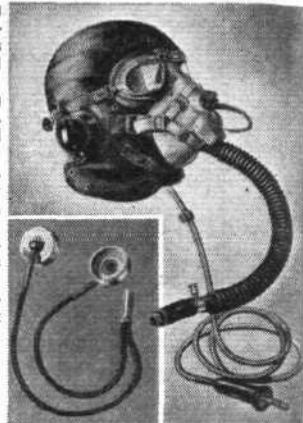

Application No. 2442 on the route London (Stansted) and/or London (Gatwick) and/or London Airport - Malta - Cyprus.  
Application No. 2443 on the route London (Stansted) and/or London (Gatwick) and/or London Airport - Tripoli (technical) - Kano - Lagos.

**T**HESE applications will be considered by the Council under the Terms of Reference issued to them by the Minister of Civil Aviation on July 30, 1952. Any representations or objections with regard to these applications must be made in writing stating the reasons and must reach the Council within 14 days of the date of this advertisement, addressed to the Secretary, Air Transport Advisory Council, 3, Dean's Yard, London, S.W.1, from whom further details of the applications may be obtained. When an objection is made to an application by another air transport company on the grounds that they are applying to operate the route or part of route in question, their application, if not already submitted to the Council, should reach them within the period allowed for the making of representations or objections. [8760]
