

Operations Officer

£12,156-£12,882, rising to £12,432-£13,173 on 1 February 1988

Luton International Airport expects to handle 2.7 million passengers this year, and anticipates a throughput of 5 million passengers by the mid 1990s.

This challenging position involves responsibility for providing an efficient and effective noise monitoring service for the airport and identifying and advising on hazards to aircraft. Other aspects of the role include the co-ordination of the Bird Deterrent Scheme and management of the Operations Section.

This post calls for an individual with a high level of numeracy coupled with good analytical skills. A background of Airline and/or Airport Operations is desirable but not essential.

Generous relocation expenses up to £4,100 plus other benefits are payable in appropriate cases. Temporary housing.

Please write or telephone for further details and an application form to the Personnel and Management Services Department,

**Town Hall, Luton LU1 2BQ.
Telephone: Luton 31291, ext 2621.**

**Closing date:
14 December 1987.**

Luton Borough Council is an Equal Opportunities Employer.

TECHNICAL INSTRUCTOR (ELECTRICAL & AVIONICS)

The successful applicant will join our Lasham based team of instructors who provide B727, B737, BAe 146, BAC 1-11, HS748 and LWTR training.

Applicants should have completed an apprenticeship or other recognised form of training in the appropriate disciplines and have had extensive experience in aircraft maintenance. Previous instructional experience is essential, whilst knowledge of some or all of the aircraft which comprise the Dan-Air fleet would be a distinct advantage.

We offer a competitive salary for this middle management position which will depend on qualification and experience.

Interested applicants should telephone or send a CV to:

**Alan Maskell
Personnel Manager
Dan-Air Services Limited
Engineering Division
Lasham Airfield
Nr Alton
Hants
GU34 5SP
Tel: (0256) 56123**

RANK XEROX

PILOT

Rank Xerox Ltd requires a Senior First Officer/Junior Captain for the company's Falcon 10 aircraft, which is currently based at Heathrow.

The successful applicant must have current jet experience. A full FAA ATP would be an advantage, as would a DA 10 type rating, but neither are mandatory. Good interpersonal skills are essential.

A competitive salary will be offered, together with an attractive benefits package. Relocation assistance will be offered, where necessary.

Please apply, with full CV, to: Peter Leather, Manager, International & HQ Personnel Operations at Rank Xerox Ltd, Parkway, Marlow, Bucks SL7 1YL
