

# PROGRESS

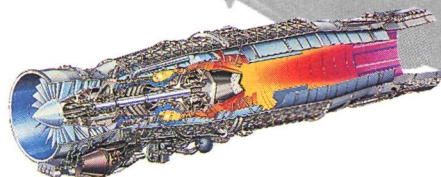

**The EJ200 engine  
is a reality.**

**Excellent test  
results confirm its  
superior design.**

**All technical  
objectives have  
been met ahead of  
time and within  
planned costs.**

**The EJ200 prog-  
ramme continues  
to make excellent  
progress.**

**EJ200 has  
been developed to  
meet the rigorous  
demands of the  
new European  
Fighter Aircraft.  
In reheated or dry  
configuration it  
is eminently  
suitable for other  
applications and  
represents real  
progress in aero  
engine technology.**
