

COLLINS SERIES 900.

SIX-SIGMA

DISPATCHABILITY.

*In today's intensely competitive climate, it's more important than ever to push back from the gate on time. Every time. Uncompromised by avionics problems. With Collins Series 900 avionics, our objective is six-sigma quality and reliability levels never heard of before, plus new features to enhance the Collins value to our customers. We back that up with service and support, which is second to none. Collins Avionics, Rockwell International, 400 Collins Road, NE, Cedar Rapids, IA 52498.*
