The Technik of cost management. How to reduce B747 maintenance costs by up to a third.

Here are just a few of the comprehensive time and money-saving advantages you enjoy with our customized maintenance schedules:

- Up to 50 % saving on visit-related costs (e.g. ferries, handling).
- Up to 40 % reduction in downtime-related costs (e.g. revenue losses).

■ Sophisticated B747 dock-workshop logistics reduce time and costs by 10-20 %.

■ Flexible docking system reduces dock-in and out times by up to 50 %.

■ Advanced production technologies give direct heavy maintenance savings (e.g. 50 % off stripping and painting).

■ Computerized overhaul land-

scape cuts labour and administration-related costs by 10-30%.
