

# GLOBAL VISION

Every day around the globe, Bombardier and 11 other leading aerospace companies are working together with a singular vision: To build the definitive ultralong-range corporate aircraft of the 21st Century, the 6,500 nm Global Express® business jet. This global team unites our Canadair, Learjet, Short Brothers plc, and de Havilland divisions with Messier-Dowty, Abex NWL Aerospace, AlliedSignal, Honeywell, Sextant Avionique, Mitsubishi Heavy Industries, Parker Hannifin, Lucas Aerospace, Hella KG, BMW Rolls-Royce Aero Engines and ABG-Semca. The future belongs to those who think globally.
