

The world's first all-terrain aircraft.

## SPECIAL VARIANTS

You have a mission, and that mission can take you anywhere.

That's where Raytheon comes in.

Using over 50 years of proven experience, Raytheon promises

expertly customized aircraft to meet your mission's needs.

Raytheon not only builds the highest quality aircraft, but modifies them to provide effective mission performance

at a fraction of the normal cost. Because you have a mission, and so does Raytheon.

For more information call 316-676-5034 or fax 316-676-8808.
