

You pick an office for its comfort and the view.

BEECHJET 400A

In this era of 16 hour workdays, your office is wherever you're sitting, be it your desk, your car or your jet. So we totally redesigned the Beechjet 400A cabin. Making it a place where you can work, but also a place where you can unwind, regroup and reflect. ▲ In short, the most luxurious and spacious cabin in its class is now in a class by itself. As fast as ever and now more comfortable. We've made major improvements to give you more room to work, think and stretch. ▲ The new Beechjet 400A cabin. Designed on the premise that success comes from being comfortable with your decisions. And having a comfortable place to make them. For more information call 49-69-695808-15.
