Services scheduled, charter, regional, domestic, cargo

Alliances United Parcel Service

Date established 1985

Description Offers all-cargo services to Central and South America. The carrier serves 18 scheduled destinations and is the only operator providing scheduled all-cargo service between the USA and Peru.

History Formed in 1978, when the demand for all cargo airlines to export flowers from South America was high. At that time CAC was a wholly owned subsidiary of Challenge Air Transport,
