

Now we're looking down.

DaimlerChrysler Aerospace (Dasa, Munich), Aerospatiale Matra (Paris) and Construcciones Aeronáuticas (CASA, Madrid) are merging to form the European Aeronautic Defence and Space Company (EADS), one of the world's three leading aerospace companies.

DaimlerChrysler Aerospace

eyes open to make life on Earth a little safer and more peaceful, since for us Earth still remains the focal point of our activities and the most important planet in the universe. Visit us at FIDAE 2000, Santiago de Chile, March 27th to April 2nd, Hall B, Stand 11-16 and 79-82. DaimlerChrysler Aerospace AG, 81663 Munich, Germany, www.dasa.com.
