FLIGHT INTERNATIONAL DIRECTORIES

WORLD AIRCRAFT & SYSTEMS DIRECTORY 2001

Now for £95.00/US$160

Formerly Brassey's, the *Flight International* World Aircraft & Systems Directory 2001 is THE reference book for all aviation data – in just one single volume.

The 2001 edition will be published in Spring 2001 available at £95.00/US$160. Contained within this 800 page volume are over 2000 photographs, specially commissioned schematic diagrams and three-view drawings, as well as detailed listings on:

- Airships
- Aircraft engines – both civil and military
- Civil, military and business aircraft
- Major hub runway details
- Helicopters
- Homebuilts
- Microlights
- Missiles
- Radar Systems
- Spaceflight
- Sporting Aircraft

To purchase a copy of the directory please complete the order form below.
