Fauntleroy Avenue, Perth Airport, Western Australia, 6104, Australia
Tel +61 8 9479 2555 **Fax** +61 8 9479 2525 **E-mail** admin@pearlav.com.au
Website http://www.pearlav.com.au/
Services charter, domestic, regional, passenger
Parent organisation/shareholders Paspaley Pearls Group (100%)
Date established 1963 **Date operations started** 1964
Description Among the largest and most experienced provider of specialist aviation services in Australia, ranging from charters, emergency medical services (EMS) to calibration flights. In addition, Pearl Aviation also maintains in-house capability in the areas of maintenance planning, aircraft acquisition, performance analysis, design and training to support both its own fleet operations and those of other operators in the region.
History Carried out contract operations of the Australian Customs "Coastwatch" service throughout Australia from 1978 to 1996. The airline acquired East-West Airlines in 1984, and was itself acquired by Ansett Airlines in 1987. In 1996 it was purchased by Paspaley Pearling and the following years was awarded the NSW Aerial Ambulance contract.
