

*Safair now offers airlines the*

*Boeing Next-Generation 737.*

*Leasing Made Easy...*

***But There's More!***

*Safair, the largest leasing company in Africa, knows how important an efficient and reliable aircraft is to an airline's fleet—but so is full after-market support and a comprehensive maintenance and training support programme. Safair offers tailor-made Boeing Next-Generation 737 leases for Africa—and more.*
