Parent organisation/shareholders Aloha Airgroup (100%)
Airline subsidiaries/shareholdings Island Air (100%)

Alliances Island Air, United Airlines

Date established 26 July 1946

Date operations started 26 July 1946

Description Provides extensive scheduled services within the Hawaiian Islands. Aloha plans to merge with Hawaiian Airlines in the first half of 2002.

History Founded as a charter carrier originally, called Trans-Pacific Airlines, but quickly earned the nickname "The Aloha Airline". Certification as a scheduled airline came on 6 June, 1949 and the carrier adopted Aloha Airlines as its official name in 1958. In 1983, Aloha introduced its frequent flier programme known as AlohaPass. Nighttime freighter services were begun in October 1985.
