One sky for Europe

Air traffic management is our business

Become an (m/f)

Air Traffic Controller

(Ref. BO/053/FLI)

at the European Organization for the Safety of Air Navigation
(EUROCONTROL)

- Are you at least 18 and younger than 25 • in possession of a certificate of advanced secondary education • a national of one of the Eurocontrol member states • medically fit and have a good command of English • then an exciting and rewarding career awaits you!

Training will last $\pm 2\frac{1}{2}$ years (during which you receive a phased net salary between € 960 and € 2978 excl. allowances such as expatriate, family, shift work). On successful completion of the training programme, an air traffic controller will receive a net salary of approx. € 3839 (excl. the above mentioned allowances) and be employed in one of the most advanced control centres in Europe: the Maastricht UAC.

We are looking for mature, confident young people with common sense and dedication, who are capable of applying themselves to intensive training.

Application forms and further details may be obtained from EUROCONTROL, Human Resources Section, Horsterweg 11, 6199 AC MAASTRICHT AIRPORT, the Netherlands, or on our website: www.eurocontrol.int. Requests for these documents may be sent by telefax to 00 31 43 366 14 63 or e-mail to masuac.students@eurocontrol.int.
